Mr. Paul DeFalco, Jr.
Regional Administrator
U.S. Environmental Protection Agency
Region IX
100 California Street
San Francisco, California 94111

Attention: Mr. Allen Abramson, Air and Water Programs

Dear Mr. DeFalco:

Reference is made to your letter of June 22 and 29, 1973, forwarding proposed effluent guidelines and standards as required under section 304(b) and 306 of the Federal Water Pollution Control Act Amendments of 1972. Please be informed that we have no comments to make on the following list of industries:

iron and steel manufacturing
organic chemicals manufacturing
timber products processing
plastics and synthetics
dairy products processing
inorganic chemicals manufacturing
fertilizer manufacturing
rubber processing
phosphate manufacturing

steam electric power plants
leather tanning and finishing
grain mills
textile mills
soap and detergent manufacturing
non-ferrous metals manufacturing
ferroalloy manufacturing
glass manufacturing
asbestos manufacturing

Thank you for permitting our Department the opportunity to review the above list of proposed effluent guidelines and standards.

Very sincerely,

Walter B. Quisenberry
WALTER B. QUISENBERRY, M.D.
Director of Health
